

Features:

This external power supply (EPS) has a real power rating of 150W (continuous @40°C). With efficiency up to 89%, ABAN1 meets ErP Lot 7 Tier 2 requirements. With 150W of power and 19V output, FSP150-ABAN1 is ideally suited for All-In-One systems and gaming/workstation laptops.

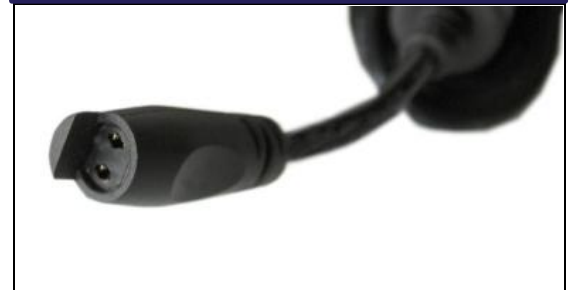

The changeable DC connector allows FSP150-ABAN1 to work in several applications. The FSP connector design also ensures the DC tip cannot be plugged in the wrong way whilst still providing a tight, secure connection protecting against accidental disconnection.
