

Electrically isolated base plate  
Industrial standard package  
Simplified mechanical design, rapid assembly  
Pressure contact

**Single Diode Module  
For Phase Control  
MD1-1280-22-E**

|                                 |                  |               |
